Lies don't know why I tell 'em to you
Why I should ever reason
But I know how the answer
All i know is that i push you away
Everytime the things start going
Right
Know i don't deserve you
And i got some things i work through
But

I swear i'll do better (do better)
Promise i can be what you want (ooohh)
I know that you never (never)
Knew i was this disfunctional
Don't give up for me yet,no
Don't give up for me yet,no
Don't give up for me yet,no
I'm not ready to be alone
Don't give up for me yet,no
Don't give up for me yet,no
Don't give up for me yet,no
I'm not ready to be alone

Scream (scream) at the top of your lounge
But don't
Leave (don't leave)
Punish me however
But just don't say it's over
I know i treat you like you don't mean a thing (yeah)
But i need you like the air i
Breath
Do you think you can forgive me
Cause i need you with me (ohh)

I swear i'll do better (swear I'll do better)
Promise i can be what you want (babe)
I know that you never (you never)
Knew i was this disfunctional

Don't give up for me yet,no
Don't give up for me yet,no
Don't give up for me yet,no

I'm not ready to be alone
Don't give up for me yet,no
Don't give up for me yet,no
Don't give up for me yet,no
I'm not ready to be alone

I swear i'll do better
Promise i can be what you want
I know that u never
Knew i was this disfunctional

Don't give up for me yet,no
Don't give up for me yet,no
Don't give up for me yet,no
I'm not ready to be alone
Don't give up for me yet,no
Don't give up for me yet,no
Don't give up for me yet,no
I'm not ready to be alone
