ooh ooh ooh
ooh ooh ooh

I was already there
standing there like a shadow
I was already there
Always ready to catch you
But you never know how much it hurts
to know that you love wont be return
I was already there
Knowing i never have you

Cos love is just like roses
beautiful but when i try to hold it
the thorns cut me everytime
dont know why im in try
Still i cant stop reaching for it

I was already there
Loving you since the first day
I was already there
Still you never look my way
And you never see how long i will (?)
Howmuch i drink
Wish that you could be here
But i know its inpossible

Cos love is just like roses
beautiful but when i try to hold it
the thorns cut me everytime
dont know why im in try
Still i cant stop reaching for it

-While he gets you love everyday (?)
-I never know it (?)
-No no roses

Cos love is just like roses (roses)
beautiful but when i try to hold it

Cos love is just like roses (roses)

beautiful but when i try to hold it
the thorns cut me everytime
dont know why im in try
Still i cant stop reaching for it

Roses, Like roses so beautiful
But i never hold it.
Yeahaa Yeahaa
