Should i have talked less,
kissed more,
let my hands,
explore.
everytime i ,
closed my eyes
see your face in my mind like a neon sign.

should of told her,
that i was rich,
that i cheated like,
im a quick fix,
i tasted it,
i'm open,
she's gone like a wave in the ocean (ooh)

tryna hold on to you is like holdin'
sand in my hand (ooh)
just when u think u gotta good grip, she's,
gone again (ooh)
slippin' through my fingers
she don't ever linger
i thought it was love
but when she's had enough
she's just like a wave (oh oh oh)
yeah
i'm watching her wave
goodbye
she's just like a wave
(she's oh oh oh oh)
yeah
she's not meant to stay, stay stay in my life

like tryna tell someone don't turn or fall
ooh thats girls uncontainable
course of nature does what she wants
can't be controlled no

should of told her,
that i was rich,
that i cheated like,
im a quick fix,

i tasted it,
i'm open,
she's gone like a wave in the ocean,
ooh

tryna hold on to you is like holdin'
sand in my hand (ooh)
just when u think u gotta good grip, she's,
gone again (ooh)

slippin' through my fingers
she don't ever linger
i thought it was love
but when she's had enough
she's just like a wave (she's oh oh oh)
yeah
i'm watching her wave (she's oh oh oh)
goodbye
she's just like a wave (she's oh oh oh)
yeah
she's not meant to stay, stay stay in my life

now my hearts in a permanent (*winter*)
cause i know that u found someone else to get into
yeah,
and i'll never be dancing
why did it go this way
wish that i could still ride your wave,
yeah but,

tryna hold on to you is like holdin',
sand in my hand (oh oh oh)
just when u think u gotta good grip she's,
gone again. (oh oh oh)
slippin' through my fingers, she don't ever linger
i thought it was love, but when she's had enough
she's just like a wave
slippin' through my fingers, she don't ever linger
i'm watching her wave (she's oh oh oh oh)
goodbye
she's just like a wave
slippin' through my fingers, she don't ever linger
she's not meant to stay stay stay, in my life

tryna hold on to you is like holdin',
sand in my hand (oh oh oh)
just when u think u gotta good grip she's,
gone again (oh oh oh)

slippin' through my fingers, she don't ever linger
i thought it was love, but when she's had enough

she's just like a wave (she's oh oh oh)
yeah
I'm watching her wave (she's oh oh oh)
goodbye
she's just like a wave (she's oh oh oh)
yeah
she's not meant to stay stay stay in my life.
