If you were half the man you said you were
You'd stop pretending you love me and go back to her
Cause watchin' you lie to my face is so much worse
Than if you said, "Hey I'm leavin', I wanna go back to
my girl"

Can't take it anymore, participating in love
Is it a game to you?
I don't see the point cause in the end I loose and it's all
so confusin'
Can't take it anymore,
Tellin' my friends that everything is okay
When they know it's a lie,
It's written on my face,
It's so so confusing

We're just like strangers, riding the bus!
Both of us scared to say "It's time to get off"
We're just like strangers, no connection at all
I think it's time to say, enough is enough.

If you believed in love like you said you did,
You'd be brave enough to say ya callin' it quits
The longer you wait, the longer I have to sit
Feelin' bad for keepin' you from your happiness

Can't take it anymore,
Tryin' to please someone,
I'm in the way
To me it be better if we just move on
So so confusin'

We're just like strangers, riding the bus!
Both of us scared to say "It's time to get off"
We're just like strangers, no connection at all
I think it's time to say, enough is enough.

Why are we still tryin' when you know it be so right if
We go our seperate way-ays
Oh if you really love her,
Why cant keep it under cover?

You and I are mostly strangers

Woahwoahwoah woah

Woahwoahwoah woah

Woahwoahwoah woah

Woahwoahwoah woah

We're just like strangers, riding the bus!
Both of us scared to say "It's time to get off"
We're just like strangers, no connection at all
I think it's time to say, enough is enough.

If you were half the man you said you were,
You'd stop pretending you love me and go back to her.
