[Verse 1]

Started standing here alone
Wasn't sure which way to go
All I knew was some how I had to
Make it on my own
Started reaching for the stars
Bombs exploding in my heart
Wasn't long before my journey started
No more dancing in the dark
Because my eyes were closed
Now they're open turn around
And I noticed that the spotlight
Was shining on me

[Chorus]

Now I'm in the right dress
At the right time
And the whole world
Its all mine
Now I can't believe that ???
Feeling like a superhero
So strong, and I'm on fire
I'm the greatest, of all time
So look out for me
Flying up with the stars tonight
Feeling like a superhero

[Verse 2]

This is so much more than I
Ever could've fantasized
Some things just happen
When you least expect it
Its not always black and white
That's why I close my eyes
Now they're open turn around
And I noticed that the spotlight
Was shining on me

[Chorus]

[Verse 3]

If I'm dreaming

Don't shake me
Don't try to wake me
This is gonna be the night of my life

[Chorus]
