If I was blind,
then I wouldn't see
the whole damn world laughing at me
why did I ever think you could be
real and modest (oh)

Couldn't lie
at least that would mean
that you tried
To spare me the grief
Why did i ever think you could be
All i needed

Now i don't want to hear
Your reasons (no no no)
Just hurry up if your really leavin' (whoa oh)
And just say goodbye, thanks for nothin'
Clearly I wasn't the one that wanted
Right up in the sunset and have a good time
Heh, thanks for nothing tonight

Don't turn around just keep on walkin'
Even if you see the tears the tears are fallin'
Just drive off in your fast car and have a nice life
So thanks for nothing tonight

Hey, I bet you thought I would beg you to stay,
That really got to your head
Crazy if you thought I would beg
Walk all over me

Now I don't want to hear your reasons (no no no)
Just hurry up if your really leavin' (whoa oh)
Just say goodbye, thanks for nothin'
Clearly I wasn't the one that wanted
Right up in the sunset and have a good time
Heh, thanks for nothin'
Don't turn around just keep on walkin'
Even if you see the tears are fallin'
Just drive off in your fast car and have a nice life
So thanks for nothin' tonight
