Here is my try

Ay, oh, oh, no
Oh, no, woa
Oh, no, oh, oh
Umm, oh, oh, umm

Looking at you now
I can tell
That you
And your new relationship
Ain't going well
There no reason your name
Should come up on my cell
Unless your unhappy
But that
Shoun't be the case

Cuz you said
Said he was the one
Baby yes you said
Said you were in love
When you left me
You said
You wouldn't be
Coming back
Remember that
But I never agree

I hate to say
It but I told you so
Told you if you left
That you were
Gonna be misable
Guess he don't do it
Like me or else
You wouldn't be
Run back to the past
It was you that left me
I hate to say it
But you know I'm right
Every time you up

You come for me
Late at night
But now
You an't got me tell me
Were you going to be
Cuz I can't take you back
No my heart won't let me

Girl you know
He can't touch like I do
I don't see you trippin
Or flippin' over his moods
Don't take a genius to see
That he ain't that dude
But you let him back
You don't know
What you was on

When you said
Said he was the one
Baby yes you said
Said you were in love

When you left me
You said
You wouldn't be
Coming back
Remember that
But I never agree

I hate to say it
But I told you so
Told you if you left
That you were
Gonna be misable
Guess he don't do it
Like me or else
You wouldn't be
Run back to the past
It was you that left me
I hate to say it
But you know I'm right
Every time you up
You come for me
Late at night
But now
You an't got me tell me
Were you going to be
Cuz I can't take you back
No my heart won't let me

Before our heart
It seems
But you ain't
Get no symphony
No baby not from me
Cuz I told you
Should never leave
See you choose
This road
So you got
To go it alone
Remember
I told you
Sooooooooo

I hate to say it
But I told you so
Told you if you left
That you were
Gonna be misable
Guess he don't do it
Like me or else
You wouldn't be
Run back to the past
It was you that left me
I hate to say it
But you know I'm right
Every time you up
You come for me
Late at night
But now
You an't got me
Tell me were
You going to be
Cuz I can't take you back
No my heart won't let me
