In your arms, I feel right at home
And that's a feeling I ain't felt before
If you're feeling the same way, then let me know
Cuz there's nothing worse, than bein in love alone

Is it true, that I'm not the only one
Is it true, that you're just having fun
With my heart, I need an answer
Is it true, is it true

You're my angel that was sent to earth
In your eyes I see my future
I can't be without you
So it's got to work
Goodbye's not an option
So don't say a word

Is it true, that I'm not the only one
Is it true, that you're just having fun
With my heart, I need an answer
Is it true, is it true

Never been a victim of love before
So I'm not sure what I should be looking for
But I know the signs are in my face
Hope it's not too late to change
Your mind and make you wanna stay

Is it true, that I'm not the only one
Is it true, that you're just having fun
With my heart, I need an answer
Is it true, is it true

Is it true, that I'm not the only one
Is it true, that you're just having fun
With my heart, I need an answer
Is it true, is it true

In your arms, I feel right at home
And that's a feeling I ain't felt before
