Life should be like a game of cards  
You make a mistake  
Then fold the deck and start over  
It should be just like drivin in your car  
Get lost and your navigation system  
Gets you closer

But there ain't no handbook  
You're on your own  
Got no instructions  
When it comes to love  
Cuz once you do something  
Can't be undone  
Wish I could take back  
Letting you go

If I knew then  
What I know now  
I wouldn't have said  
I don't need you around  
Alone in this mess(?)  
Silence is so loud  
So I would treat you the best  
Baby if I knew then  
What I know now (What I know now)  
What I know now (What I know now)  
What I know now (What I know now)  
Yeah I would treat you the best  
Baby if I knew then  
What I know now

Life should come with remote controls  
Then I just rewind into  
The time it was better  
It should have a restart button  
So, I could travel right back  
To the day that I met her

But there ain't no handbook  
You're on your own  
Got no instructions  
When it comes to love

Cuz once you do something  
Can't be undone  
Wish I could take back  
Letting you go

If I knew then  
What I know now  
I wouldn't have said  
I don't need you around  
Alone in this mess(?)  
Silence is so loud  
So I would treat you the best  
Baby if I knew then  
What I know now (What I know now)  
What I know now (What I know now)  
What I know now (What I know now)  
Yeah I would treat you the best  
Baby if I knew then  
What I know now

Cuz there ain't no handbook  
You're on your own  
Got no instructions  
When it comes to love  
See once you do something  
Can't be undone  
Wish I could take back  
Letting you go

If I knew then  
What I know now  
I wouldn't have said  
I don't need you around  
Alone in this mess(?)  
Silence is so loud  
So I would treat you the best  
Baby if I knew then  
What I know now (What I know now)  
What I know now (What I know now)  
What I know now (What I know now)  
Yeah I would treat you the best  
Baby if I knew

If I knew then  
What I know now  
I wouldn't have said  
I don't need you around  
Alone in this mess(?)  
Silence is so loud  
So I would treat you the best  
Baby if I knew then

What I know now (What I know now)  
What I know now (What I know now)  
What I know now (What I know now)  
Yeah I would treat you the best  
Baby if I knew then  
What I know now
