There aint no words you can say  
That can ever take back how bad you treated me  
Let me finally? it all to rest  
Let me go and let me breathe  
Just give me my space, my time  
I need to clear my mind  
I need to figure out who to blame

You told me lies, but I took you back everytime  
When I play you in rewind  
I see my mistakes  
Where I went wrong with you  
I gave my heart, my mind and soul to you  
Way too soon  
That's where I went wrong with you (3x)  
I gave my all to you  
I put my love, my faith, my trust in you  
Way too soon  
That's where I went wrong with you (3x)

One thing you can not claim  
Is that I never, gave you all the best of me  
You got everything  
I was the one begging you to love me, please  
I can't believe that you  
Want me to stay with you  
After all I've been through  
You must be crazy

You told me lies, but I took you back everytime  
When I play you in rewind  
I see my mistakes  
Where I went wrong with you  
I gave my heart, my mind and soul to you  
Way too soon  
That's where I went wrong with you (3x)  
I gave my all to you  
I put my love, my faith, my trust in you  
Way too soon  
That's where I went wrong with you (3x)

Where I went wrong with you

I gave my heart, my mind and soul to you  
Way too soon  
That's where I went wrong with you (3x)  
I gave my all to you  
I put my love, my faith, my trust in you  
Way too soon  
That's where I went wrong with you (3x)
