I'm Not Sure I'm Ready To Leave
But I Don't Think Its Safe If I Stay
And The Burden Of Loving You Is Heavy For Me
Yeah (yeah)
But I Just Can't Seem To Turn And Walk Away

'Cause everytime that I feel at home is when I'm lookin
in your eyes (your eyes)
And the only truth that I've ever known is when you're
tellin me your lies (your lies)
Now I can't tell a lie, it's all a blur, not really sure, if
you're a blessing or curse
And the only truth that I've ever known is when you're
tellin me your lies (your lies), and Iâ€¦!

Loves been a disaster for me
What started out so beautiful has turned to pain
What happened to my happily ever after
See I know that it's been over for a while but I can't
break away (break away)
[Your Lies Lyrics On]
'Cause everytime that I feel at home is when I'm lookin
in your eyes (your eyes)
And the only truth that I've ever known is when you're
tellin me your lies (your lies)
Now I can't tell a lie, it's all a blur, not really sure, if
you're a blessing or curse
And the only truth that I've ever known is when you're
tellin me your lies (your lies), and Iâ€¦!

Got me holding on to yaâ€¦!
Got me confused I don't know what's real or fake
Baby now the only thing I'm used ta
Everyday, everynight, all the time I hear your lies

'Cause everytime that I feel at home is when I'm lookin
in your eyes (your eyes)
And the only truth that I've ever known is when you're
tellin me your lies (your lies)
Now I can't tell a lie, it's all a blur, not really sure, if
you're a blessing or curse

And the only truth that I've ever known is when you're
tellin me your lies (your lies)
