Catch a little raindrop  
(Catch a little raindrop)  
Catch a little raindrop  
(And here's what you should do)

Give it to a flower  
(Give it to a flower)  
Give it to a flower  
(And it will give to you)

A little bit of honey  
(A little bit of honey)  
A little bit of honey  
(For lips so sweet and true)

Catch a little raindrop give it to a flower  
And a little bee will put it in a tree  
And make a little honey for you

I caught a little raindrop  
(Caught a little raindrop)  
I caught a little raindrop  
And I gave it on you

Cause you're my little flower  
(You're my little flower)  
You're my little flower  
(And you gave something too)

A little bit of honey  
(A little bit of honey)  
A little bit of honey  
From lips so sweet and true

I caught a little raindrop gave it to a flower  
And a little bee put it in a tree  
And made a little honey for you and me
