Nobody knows where I came from  
Nobody even knows my name  
Nobody cares where I'm goin'  
Or if I'll ever pass this way again

I guess that I was born to wander  
Never seem like I could settle down  
I'm as free as the wind when it's blowin'  
I won't be long in your town

Hey, hey little girl, I won't marry  
I never will be that kind  
Love me now if you want to  
Then I'll be moving on down the line

I don't wanna cause you no trouble  
The road I travel has no end  
Little girl, I don't know when I'll be leaving  
Or if I'll ever pass this way again

Kiss me one time before I'll leave you  
Little girl, don't cry when I'm gone  
The good things in life are not many the way  
With no son, with no home

Love me now, if you want to  
Don't ever try to tie me down  
I'm as free as the wind when it's blowin'  
I won't be long in your town  
Oh, no, I won't be long in your town
