Decent girls let me being your dear there's some
things that you oughta hear
You wanna man and you sure should know
There's some little things that ever girl should know
If you wan't a man take my advice don't be too hasty
but don't be too nice
There's a certain little more in between oh I'm sure you
know just what I mean
[guitar]
You oughta know how to hold him tight you ought to
know how to fix just right
How don't make his heart giddy up go

Yeah there's little things that ever girl should know
Don't play it wrong and love too fast if you do it'll might
not last
Don't mess around and love too slow there's little
things that ever girl should know
[piano]
Bum bum bum baby here I come if you pay attantion
then you'll know what to done
Give me a clue and away we'll go I'll show you things
that ever girl should know
(Okay) yeah little ol' things that ever girl should know
