We're in the right place at the right time and it's easy to  
go wrong  
The soft light shine just right tonight on your lovely  
face  
And a haunting sound of music seem to fill the place  
We're both eager to forget life that waits at home  
We're in the right place at the right time and it's easy to  
go wrong  
Yes everything is much too right tonight  
As we watch our hearts sink slowly out of sight  
And being eager to forget life that waits at home  
We're in the right place at the right time and it's easy to  
go wrong  
[ ac.guitar ]  
Your kiss is fine there's warm desire in each embrace  
And the wine is fine and that makes us want to stay  
We both know that it's not right but this feeling is so  
strong  
We're in the right place at the right time and it's easy to  
go wrong  
Yes everything is much too right...
