You have painted up your lips and rolled and curled
your tinted hair
Ruby are you contemplatin' going out somewhere
The shadows on the wall tell me the sun is going down
Oh Ruby don't take your love to town
It's hard to love a man whose legs're bent and
paralyzed
And the wants and the needs of a woman your age
Ruby I realize
But it won't be long I've heard them say until I'm not
around
Oh Ruby don't take your love to town

For it wasn't me that started that old crazy Asian war
But I was proud to go and do my patriotic chores
I know Ruby I'm not the man I used to be but Ruby I still
need your company
She's leaving now cause I just heard the slamming of
the door
Way I know I heard it slam one hundred times before
If I could move I'd get my gun and put her in the
ground
Oh Ruby don't take your love to town
