Oh, there ain't gonna be no more
No there ain't gonna be no more
No more tears will I cry over you

I don't need nobody to tell me we're through
I can see it shining in your eyes
There's been so many tears that I've lost over you
They would make the oceans rise

But there ain't gonna be no more
No there ain't gonna be no more
No more tears will I cry over you

Well, I saw you last night at the place we used to go
But the one in your arms wasn't me
I just stood there a trembling afraid to stay or go
And the tears started coming down on me

But there ain't gonna be no more
No there ain't gonna be no more
No more tears will I cry over you

I don't need nobody to tell me we're through
I can see it shining in your eyes
There's been so many tears that I've lost over you
They would make the oceans rise
