Tiger woman, I heard that you were back in town
(Tiger woman)

Tiger woman, I heard that you were back in town
(Tiger woman)

Just like a tiger woman girl
You're still puttin', puttin' around

Tiger woman, I wonder why I love you still
(Tiger woman)

Tiger woman, I wonder why I love you still
(Tiger woman)

Just like a tiger woman
I guess you come back home for the kill

Well, you tore me up in little bitty pieces
You dragged me all over the ground
I was a big man but now I ain't nothin'
You sure know how to put a good man down

Tiger woman, put your long short claws out of me
(Tiger woman)

Tiger woman, put your long short claws out of me
(Tiger woman)

Just like a tiger woman
What you leave ain't so good to see

Well, you tore me up in little bitty pieces
You dragged me all over the ground
I was a big man but now I ain't nothin'
You sure know how to put a good man down

Tiger woman, well you better just keep movin' on
(Tiger woman)

Tiger woman, I said you better just keep movin' on
(Tiger woman)

Just like a tiger tamer
I'm gonna put you where you belong

Hey, look here woman, I don't like the way
You come slink around me
I don't like that look
You've got in your eye nor neither
