Have you, Have you, Have you, Have you
Have you, Have you, Have you, Have you
You, You, You, Ohhhhhh

Have you ever tried to change,
Something you didn't quite accept
Have you ever bent the truth,
All just to prevent a lie.

Why regret it, try not to,
It's just how it goes,
It's just one of those.

Chorus:

Have you ever felt that you were lost in nowhere
Ever lost yourself in you,
Have you ever lost love, cried, fought then cried
Have you ever, Have you?
Have you ever felt that you were lost in nowhere
Ever lost yourself in you,
Have you ever lost love, cried, fought then cried
Have you ever, Have you?

Have you been given advice you chose not to take,

But you wished you did, because it led to heartbreak
Have you ever thought of what people thought of you,
more than you thought of yourself.

Chorus:

Have you ever felt that you were lost in nowhere
Ever lost yourself in you,
Have you ever lost love, cried, fought then cried
Have you ever, Have you?
Have you ever felt that you were lost in nowhere
Ever lost yourself in you,
Have you ever lost love, cried, fought then cried
Have you ever, Have you?

Why... regret it... try not to
It's just how it goes... it's just one of those.

Ohhhhhh.. Lost in nowhere
Ohhhhhh.. Lost in nowhere

Chorus

Why, Why, Why, (lost yourself in you)
Repeat above etc.
