I'm over you...

I'm over you...

I guess we're moving on,
You act like nothing's even wrong,
Yet I gave you the chance.
I believed in us, I believed in us.

I won't chase after you,
You're no longer a part of me,
But I know I'm worth more than this,
So I'm moving on, So I'm moving on.

I know I can go it alone,
I've built up my strength again.
You were once my inspiration,
But now I'm mine.

Chorus:
You don't matter no more,
Since I'm not in your thoughts at all,

'Out of Sight Out of mind' (out of sight out of mind)
You don't matter no more,
Heartbreak's not what I'm in this for,
So find another fool, (cause I'm over you)
I'm over you, you, you, you, you.
I'm over you, I'm over, I'm over, I'm over you.

I'm over you, I'm over you.
I guess we're moving on.

I won't chase, (I won't chase)
I won't chase after you (I won't chase, I won't chase)
I won't chase after you.

You don't matter no more,
You don't matter no more,
Chorus:
