Ah, A Ah, Ah, A Ah, (I won't stand in your way)  
Ah, A Ah, Ah.

I've been asking some questions  
But your not sayin what I wanna hear  
I put my love and trust in you  
But you just threw it all aside...

But that's cool  
Cuz I know that I'm a fool  
And I will do this time, time and time and time again.

Chorus:  
If you wanna leave just go (just go)  
I wont stand in your way  
I cant change your mind I know  
after-all tommorrow is another day  
(after-all tomorrow is another day)

How can I fill this empty space  
Will it be another time or place (yeay)

It's the missing you that I cant bear  
Cause the emptiness is always there...

If you wanna leave please go  
It's your life, your life, your call

Chorus:  
If you wanna leave just go (just go)  
I wont stand in your way  
I cant change your mind I know  
after-all tommorrow is another day  
(after-all tomorrow is another day)

Ah, A Ah, Ah, A Ah, (I won't stand in your way)  
Ah, A Ah, Ah, (I won't pretend that, I won't hurt)  
Ah, A Ah, Ah,  
I won't stand in your way  
etc.
