N. Geraldo, M. Grombacher)

You punch your way through a world with good intentions

People don't matter, all you wanna do is think

And nothing ever comes too fast for a man of means

'Cos all you want is everything

Chorus:

(Well alright) 'Cos you're livin' the big life

(Well alright) 'Cos you're livin' the big life

Time finds you in a new-come situation

Savoir faire fits you like a second skin

And nothing ever comes too fast for a man of means

'Cos all you want is everything

(chorus)

Nothing can stop you now, and no-one can show you how

Nothing can touch you now

(Solo)

(chorus)

Nothing can stop you now, and no-one can show you how

An' nothing can touch you now

(chorus repeats 2x)

Big life, big life, big life
