What's your line this time, cerebral man

Whenever you walk through my door

I start to sweat, I'm falling in slow motion, and I'm
losing control

And the walls are too high to jump, the walls are too
high to jump

Chorus:

I hear thunder, it's in my soul

Can you hear the thunder roar, you better get back

I hear thunder, who's in control

Can you hear the thunder roar, better get back cerebral
man

The cutting edge, it hides behind those eyes of woe

Your tears won't make a bed of roses, what we had I
cannot love

The walls are too high to jump, the walls are too high to
jump

chorus

(Solo)

And the walls are too high to jump, the walls are too
high to jump

chorus repeats 2x [1.: both parts '..., you better get
back']

Cerebral man, cerebral man
