People like to shake you up and put you down

Run you all around, drive you crazy

Like to steal the roses right out of your bed

Get inside your head, drive you crazy

Never really knew what love could be, yeah yeah yeah

Never really thought about you and me, yeah yeah
yeah

Chorus:

Crazy, I really wanna go crazy, feel like I'm gonna go
crazy

Crazy, I really wanna go crazy, feel like I'm gonna go
crazy

Everybody tells you how you ought to be

What they think they see, they can't teach you, no

Big world on your shoulders, it don't mean a thing

If that song they sing, it don't reach you

(Hey) Never really knew what love could be, yeah yeah
yeah

Only want to think about you and me, yeah yeah yeah

(chorus)

Crazy, crazy, hey baby, baby, oh, oh, ooh

(Solo)

Crazy, crazy, crazy, oh

Crazy, I really wanna go crazy, feel like I'm gonna go
crazy

Oh, feel like I'm gonna go crazy

Crazy, feel like I'm gonna go crazy, ooh, yeah!
