"Don't Walk Away"

Standin' in the doorway, forgot to say one thing
You've always had the power to lift my wings
I know I shouldn't need so much, and we could say
goodbye
Oh yes I am a dreamer, I still see us flyin' high
We can start over darlin' it's clear, love is what brought
you here
Chorus:
Don't walk away, oh, to see if I'll follow
Don't walk away, victory's hollow
Been that road, it didn't take us home
Turn around, you won't be alone
Somethin' brings us together, keeps tearin' us apart
The wounded are much wiser, we'll just take it from the
start
We can start over darlin' it's clear, love is what brought
you here
chorus
(Solo)
We could start over darlin' it's clear, love is what
brought you here
chorus repeats 3x
