Benatar Pat
"Every Time I Fall Back"

N. Giraldo, P. Giraldo)

I don't know if it's me or just the sign of the times

But I want a better life than the one I've been livin'

Ain't no one says that you can't change who you are

Ain't no law says you gotta take what you're givin'

I wanna find a place where the nights are warm

And the wind don't blow so cold against my skin

I wanna find some shelter, in someone's arms

When I go too far, I know that

Chorus:

Every time I fall back, you grab my shoulder, to keep me from fallin'

Every time I fall back, your arms are open, I hear you callin' me

I believe that people are the same, wherever you go

Everybody's seen their reflection

The face we wear is not our face at all, no, we've lost all direction

Don't wanna dance the dance of the fool no more

Don't wanna give away my soul for nothin'

Don't wanna sell myself door to door, I just wanna know that

(chorus) - oh, oh, oh

(Solo)

I don't know if it's me or just the sign of the times, I just wanna know that

(chorus) - I hear you callin' me
