N. Giraldo, P. Giraldo)

Everybody go round, go round, go round, everybody
lay down, lay down, lay down

Don't nobody make a sound, everybody lay down

Everybody give up, give up, give up, nobody hang
tough, hang tough, hang tough

Life a little too rough, everybody lay down

Chorus:

Everybody say hey, don't nobody say no?

Everybody say wait, don't nobody say go? Everybody
lay down

Everybody cry loud, cry loud, cry loud, nobody too
proud, too proud, too proud

To tell you what they're all about, everybody lay down

Everybody don't care, don't care, don't care

Nobody play fair, play fair, play fair

Maybe everybody too scared, everybody lay down

(chorus)

Everybody want higher, everybody want to touch the
fire

Nobody willing to lay it all down

Everybody want heaven, everybody say Amen, one
thing is certain

You gotta lay it all down

(chorus)

(Solo)

Everybody go round, go round, go round, everybody
lay down, lay down, lay down

Don't nobody make a sound, everybody lay down

Everybody give up, give up, give up, nobody hang
tough, hang tough

Livin' just a little rough, everybody lay down

(chorus repeats 2x)
