Ooo, you're givin' me the fever tonight

I don't wanna give in I'd be playin' with fire

You forget, I've seen you work before

Take 'em straight to the top leave 'em cryin' for more

I've seen you burn 'em before

CHORUS:

Fire and ice you come on like a flame

Then you turn a cold shoulder

Fire and ice I wanna give you my love

But you'll just take a little piece of my heart

You'll just tear it apart

Movin' in for the kill tonight

You got every advantage when they put out the lights

It's not so pretty when it fades away

Cause it's just an illusion in this passion play

I've seen you burn 'em before

CHORUS

So you think you got it all figured out

You're an expert in the field, without a doubt

But I know your methods inside and out

And I won't be takin' in by fire and ice

## CHORUS

You come on like a flame

Then you turn a cold shoulder

Fire and ice I wanna give you my love

But you'll just take a little piece of my heart

You come on like a flame

Then you turn a cold shoulder

Fire and ice you come on like a flame

Then you turn a cold shoulder

Fire and ice

(fade
