Yesterday's a by-line, words upon a page

Tomorrow is a deadline, sudden, and it's strange

Hard to believe you ever would leave, but you did

Hard to believe you ever would leave

Nowhere to go, can't sit still, look for motive in the time  
that I kill

Thinking up ways to fill up my empty days, to fill up my  
empty days

Chorus:

Hard to believe, you'd leave when I need you

I need you so, it's hard to believe

Hard to believe, you'd leave when I need you

I need you so, it's hard to believe

(Instrumental break)

Love is such a fine line, the finest line I've known

But sorrow is no life-line, when you're all alone

Hard to believe you ever would leave, but you did

Hard to believe you ever would leave

Can't sleep a wink, up all night

The truth hurts, you know it cuts like a knife

Thinking up ways to fill up my empty life, to fill up my  
empty life

chorus repeats 2x
