Yeah I'll go get you mate, absolutely right

Well I can tell you, I'll be lucky tonight

I got a feeling in my heart, too hot for the fight

And I can tell you, I'll be lucky tonight

Oh I feel lucky, I feel lucky tonight

Maybe just lucky enough to win your love for me

I feel lucky, I feel good, yeah, alright

You gotta get it while you can, you got to treat it nice

Well let the good times flow, I feel lucky tonight

Might is in my touch, moonlight in my sleep

Hey I'm your wild card baby, take it thru to me

Oh I feel lucky, I feel lucky tonight

Maybe just lucky enough to win your love for me

I feel lucky, I feel good, alright, I feel lucky

(Solo)

Miami, New York, Chicago, St. Louis, Lawson, Boston,
Newark, Detroit, Cleveland

I'm real deep now, take a look around

It's the only game in town, I feel lucky tonight

I don't wait on love, no, I don't waste no time

And I'm thinkin' let no black cat cross my life

Oh I feel lucky, I feel lucky tonight

Maybe just lucky enough to win your love for me

I feel lucky, I feel lucky tonight

Maybe just lucky enough to win your love for me

I feel lucky, I feel good, alright, hey hey
