"Just Like Me"

It's just like me to say to you, love me dear, and I'll be true

And all I want for you to say, is you'll come home with me each day

You could be my love, that's what I want, just you, secure and safe from harm

It's just like me to feel so good, and fall so much in love with you

Chorus:

It's just like me, it's just like me, I'm not your fool, that's what I'll be

It's just like you to say goodbye, and leave me all alone, I cry

It's just like me to say to you, love me dear, an' I'll be true

And all I want for you to say, is you'll come home with me each day

chorus

It's just like me, it's just like you... (repeats 5x)

(Instrumental break)

It's just like me... (repeats)
