G. Marshall, R. Tepper)

There comes a time when you should see things clear

Free from my innocence, there is no circumstance too
severe

Only the need for us, for us to believe again

There is a time, temptation's on the run

Dreamer you've had your way, soldier you've had your
day in the sun

Now it's time, oh it's time for us to begin again

Chorus:

Le bel age, only our love will remain

Le bel age, close to the truth once again

There comes a time (there comes a time) when you
must find your way

Baby has made his bed out in a silhouette of gold and
grey

Now it's time, yes it's time for us to believe again

(chorus repeats 2x)

Standing so close to me, no possibility to change our
destiny

I see it perfectly, moving so naturally, nothing can
stand in our way

(chorus repeats 2x)

(Solo)

(chorus repeats 3x)

Le bel age, le bel age
