CHORUS:

We are young, heartache to heartache we stand

No promises, no demands

Love is a battlefield

We are strong, no one can tell us we're wrong

Searchin' our hearts for so long, both of us knowing

Love is a battlefield

You're beggin' me to go, you're makin' me stay

Why do you hurt me so bad?

It would help me to know do I stand in your way

Or am I the best thing you've had?

Believe me, believe me, I can't tell you why

But I'm trapped by your love, and I'm chained to your side

CHORUS

We're losing control will you turn me away

Or touch me deep inside?

And before this gets old, will it still feel the same?

There's no way this will die

But if we get much closer, I could lose control

And if your heart surrenders, you'll need me to hold

CHORUS

(Break)
