They say the hand is quicker than the eye, and two
wrongs don't make a right

I feel lightning when you walk by, you got the power to
make me higher, yeah

Hear me when I say, rise, see a better day, come on,
yeah

They say the power of love is to blame, time stops
when I speak your name

Now and forever you are the one, love-light shining on
and on and on

Rise, hear me when I say, come on, yeah

Rise, see a better day, come on, yeah yeah

(Solo)

They say the power of love is like the sun, shining down
on everyone

Hey, don't be frightened by what you feel

You got to know that the power of love is real

Rise, hear me when I say, rise, see a better day, come
on, yeah yeah

Can you feel the power of love, come on
