Hey baby, won't you sit down here next to me

Well I heard you're havin' trouble in love

Yeh, I know how that can be

Now love can hurt, I know it's true

Let me see what I can do

I know a place where you can find love

The kind you always dreamed of

Lets go down to the River-O-Love

Let me show you how sweet it can be

Down at the River-O-Love

Let the cool, clear water wash over you and me

in the River-O-Love

Hey Darlin', you know that love is strange

Seems the harder you try to hold on

The further it moves away

I know its hard to understand

But that's okay I got a plan

I know a place where you can find love

The kind you always dreamed of

Lets go down to the River-O-Love

Let me show you how sweet it can be

Down at the River-O-Love

Let the cool, clear water wash over you and me

in the River-O-Love

Lets go down to the River-O-Love

Let me drown in the River-O-Love

The River-O-Love

You don't have to be afraid

Coz I'll be right there by your side

We can take it slow baby

One long sweet ride

Lets go down to the River-O-Love

Let me show you how sweet it can be

Down at the River-O-Love

Let the cool, clear water wash over you and me

in the River-O-Love

Lets go down to the River-O-Love

Let me drown in the River-O-Love

The River-O-Love
