N. Geraldo, M. Grombacher)

It's always one thing or another, seems like we never
get ahead

Reaching out for the brass ring, and landin' in the dirt
instead

We can't get past yesterday, we're only countin' down
from ten

It seems like every move we make, brings us back
where we began

Chorus:

You gotta run between the raindrops if you wanna see
the sun

Run run run between the raindrops

Run between the raindrops if you wanna see the sun

Run run run, run baby run

Somewhere there's a sun that's shining

Somewhere we'll find a life that's good (oh life ain't
always what it seems)

Someway I'm gonna make it happen, just like you
always knew I could

We're treadin' water on a river of tears, and I don't
know what to do

I can take a beatin', but I ain't gonna let it happen to
you, you

(chorus)

(Solo)

We're treadin' water on a river of tears, and I don't
know what to do, do

(chorus)

Run between the raindrops if you wanna see the sun

You gotta run run run, run baby run

(You got to run between the raindrops - oh)

You gotta run run run, run baby run
