T. Kelly, B. Steinberg)

You really do know how to [slap that star]

You really do know how to act tough

Nobody's just like a [shattered phone], a fantasy,  
anyone would want to hold

Chorus:

Stop using sex as a weapon, stop using sex as a  
weapon

You know you're already my obsession, stop using sex  
as a weapon

Love is more than a one-way reflection, stop using sex  
as a weapon

With looks that kill the mind's twisted

I don't know why I can't reach the steer

I tell myself, the other day, when you want me to, I, I'd  
always stay

(chorus)

You play with your [gibe] like it was a toy

How much affection can you destroy?

You wrap my heart around your little finger

Sex (sex) sex (sex) sex (sex) sex (sex) sex (sex) sex  
(sex) sex as a weapon

(Solo)

Stop using sex as a weapon, stop using sex

(chorus)

Stop using sex as a weapon

Stop using sex as a weapon, stop using sex

Stop using sex as a weapon, stop using sex

Stop using sex, stop using sex - sex as a weapon
