CHORUS:

We're running with the shadows of the night

So baby take my hand, you'll be all right

Surrender all your dreams to me tonight

They'll come true in the end

You said - oh girl, it's a cold world

When you keep it all to yourself

I said you can't hide on the inside

All the pain you've ever felt

Ransom my heart, but baby don't look back

'Cause we got nobody else

CHORUS

You know that sometimes, it feels like

It's all moving way too fast

Use every alibi and words you deny

That love ain't meant to last

You can cry tough baby, it's all right

You can let me down easy, but not tonight

CHORUS

(Guitar Solo)

CHORUS

And now the hands of time are standin' still

Midnight angel, won't you say you will

CHORUS THREE TIMES
