I'm the one you put all your stories on

She's the one, you keep it a secret from

She believes you, just like I did at the start

When you wrapped up my heart, and played with my emotions

Chorus:

Tell It To Her

Cause I don't want to hear it

Tell It To Her

I know why she would

There's a fool born every minute

When you're in it, it feels so good

Why don't you Tell It To Her

She don't know the darker side of you

She don't know what your love will put her through

Your sweet talkin' makes her feel so safe and sure

But that won't change what you are

And I'm the one who knows it

(Chorus)

Cause I don't want to hear it

Tell It To Her

I know why she would

There's a fool born every minute

When you're in it, it feels so good

You're the one who had it all and wanted more

But you can't do it to me anymore

(Chorus)

Cause I don't want to hear it

Tell It To Her

I don't want to hear it

Tell It To Her

Go on and Tell It To Her

Tell It To Her

There's a fool born every minute

Tell It To Her

Go on and Tell It To Her

Tell It To Her
