P. Brown, R. Feldman, M. Grombacher)

Here we go again, 'round and 'round again, gettin'  
nowhere fast

It's the same old game, one more final same, never  
meant to last

Who'll be the first one who's leavin', who'll be the last  
one to cry

Something just keeps me believin' in our love tonight

Chorus:

I can't seem to say goodbye, though I've tried a million  
times

The more I learn, the less I know about the art of letting  
go

So we take our time and we make our moves oh so  
carefully

Always seems so safe, habit's hard to break when  
you're here with me

I don't know how am I to hold you, no easy way to be  
free

Something just keeps me believin' that we're meant to  
be

(chorus)

(Solo)

For all we feel and all we know, it's not easy letting go

(chorus)

About the art of letting go, you gotta let go, you gotta  
let go, yeah
