N. Giraldo, M. Grombacher)

Anger shakes the house of cards, loving cup upon the
bars

We bend the truth to help us through the night

Tempers thrown against the wall, shatter like an empty
glass

Nothin' can save us from our own selves tonight

Chorus:

Anger is a mighty sword, vengeance is our own reward

Love goes blind one eye at a time, gonna cut away
from the ties that bind

Hey, hey

There's an edge within my voice, helps me win when I
should lose

We pick and choose our weapons carefully

Words are twisted like a fist, behind our backs no
sight-of-hand

No battle ever ended with a kiss

(chorus)

(Solo)

Anger shakes the house of cards, loving cup upon the
bars

We bend the truth to help us through the night

(chorus)
