You want me to leave, you want me to stay  
You ask me to come back, then you turn and walk away  
You wanna be lovers, then you wanna be friends  
I'm losin' my patience, you're nearin' the end  
One of these days you're gonna reach out and find  
The one that you count on has left you behind  
Don't wanna be no mother, you know I'm no saint  
Oh my, my baby, before it's too late  
Treat me right, treat me right, open your eyes, maybe  
you'll see the light  
Do you think I'm a fool, well you'd better think twice  
I've had enough, baby, it's time you realize  
That you can't have it both ways, that's no way to live  
You've done all the takin', it's your turn to give  
One of these days you're gonna reach out and find  
The one that you count on has left you behind  
Don't wanna be no mother, you know I'm no saint  
Oh my, my baby, before it's too late  
Treat me right, treat me right  
Open your eyes, maybe you'll see the light, oh, treat  
me right  
(Instrumental break)  
You want me to leave, you want me to stay  
You ask me to come back, you turn and walk away  
You wanna be lovers, then you wanna be friends  
I'm losin' my patience, you're nearin' the end  
Treat me right, treat me right  
Open your eyes, maybe you'll see the light, oh, treat  
me right  
Treat me right, treat me right (repeats out)
