Many times I've tried to tell you, many times I've cried  
alone  
Always I'm surprised how well you cut my feelings to  
the bone  
Don't wanna leave you really, I've invested too much  
time  
To give you up that easy, to the doubts that complicate  
your mind  
Chorus:  
We belong to the light, we belong to the thunder  
We belong to the sound of the words we've both fallen  
under  
Whatever we deny or embrace for worse or for better  
We belong, we belong, we belong together  
Maybe it's a sign of weakness, when I don't know what  
to say  
Maybe I just wouldn't know what to do with my strength  
anyway  
Have we become a habit, do we distort the facts  
Now there's no looking forward, now there's no turning  
back, when you say  
(chorus)  
Close your eyes and try to sleep now, close your eyes  
and try to dream  
Clear your mind and do your best to try and wash the  
palette clean  
We can't begin to know it, how much we really care  
I hear your voice inside me, I see your face  
everywhere, still you say  
(chorus repeats out)
