[French verse]

Oh, I love you so

And that for me

Is all I need to know

I will wait for you

Till the sun falls

Down from the sky

What else can I do

I will wait for you

Meditating how sweet life will be

When you come back to me

I will wait for you

Meditating how sweet life will be

When you come back to me

Meditating how sweet life will be

When you come back to me

Come back to me, ha ha ha
