#### Biggest & The Best

Nobody Is Perfect But I'M Pretty Fucking Close  
And I'M Here To Give You All A Heavy Heavenly Dose  
I Think You'D Better Listen 'Cos I Know Who You Are  
And I Think That You Should Treat Me Like A Superstar  
Because I'M More Than Just A Human I'M A Gift To All Of  
You  
And I'M Here To Make Sure That My Message Gets  
Through  
I Wonder If You'Re Really All As Dumb As You Look  
Or Are You Smart Enough To Learn The Rules In My  
Book  
I Hope You Understand That The Knowledge I Bring  
Puts Me In The Position Of A God Or A King  
'Cos I'M Blessed With The Gift Of The Magic Touch  
And I Wouldn'T Say That I'M Asking For To Much  
All You Have To Do Is Get Down On Your Knees And  
Pray  
And I Promise You The Remedy Is On it's Way  
But You Can Never Be Like Me So Don'T Waste Your  
Time  
Because I Reign Supreme And My Position Is Divine

What'S Wrong With Being Self Possessed?  
Nobody'S Satisfied With Being Second Best  
I'Ve Got The Gift And I Know That I'M Blessed  
And I'Ve Got To Get It Off My Chest

I'M The Biggest The Best Better Than The Rest, Better  
Than The Rest X 4  
I'M Not Afraid Of Competition 'Cos I Know That I'M The  
Best  
And You Haven'T Got A Chance To Even Pass My Little  
Test  
Even If You Wanted To You Couldn'T Pay The Price  
There Ain'T No Room For Losers In My Perfect Paradise  
'Cos Life Is Always Based Upon The Weight Of Your  
Success  
So I'LI Make Sure That I Get The Most And Nothing Less  
If I Love Myself Then Everyone Will Love Me To

And There'S Nothing You Can Do For Me That I Can'T Do

Chorus

So Welcome To My Kingdom And Enjoy Your Little Stay  
Even If You Can'T Afford It I'LI Still Make You Pay  
So You'D Better Come And Get It And Enjoy It While You  
Can  
Don'T Tell Me That You'Re Dumb Enough To Think I Give  
A Damn  
I Couldn'T Care Less About What You Achieve  
And There'S Only One Thing That You Have To Believe  
The Only Thing Important That You Have To  
Understand  
Is That No Matter What You Say It'S Still A God I Really  
Am

Chorus
