I'm so scared you'll take my skin, I'm looking down on a  
face that wants to get in  
Going down, I'll never could understand what is left to  
save while you're evergloom shine  
I don't know why I can't loose the big locker on my soul  
Refuse coming down from my stairs would make me a  
man  
If I knew what to do I would scare away the mad minne  
This is all I want, this is all I say, this is all I've got  
This is all I have to say to you  
Got a mad minne stuck in my hand, drive me mad, got  
me on the walking in there  
It's going down, shoe take away my blues, what is left  
to say while you're evergloom shine  
I guess why I never get there, that I say I'm waiting on  
my man  
I'm coming down on a string I only could if I knew what  
to do I would scare away the mad minne  
This is all I want, this is all I say, this is all I've got  
Go down, go down, go down  
This is all I want, this is all I say, this is all I've got  
This is all I have to say to you  
Let me tell you about my swing, all I wanna say is I've  
got to get in
