It's all in your head the thoughts you have that build  
your world illusion,  
The faith you need so you can proceed and build a  
sane solution  
Is it the truth, is there any proof to back up the things  
you believe in,  
Or is it a dream to make it seem like a goal that you're  
achieving

[Chorus:]  
We are the prisoners,  
Of the system we create  
We are the prisoners,  
Stuck inside the space we made  
To escape

What can you do to make it through the mindtricks  
you're producing  
Learn to live with the faith you lack, the hope that  
you're reducing,  
You can be cruel and ridicule the current situation,  
But what will it take for you to break the self  
humiliation?

[Chorus:]  
We are the prisoners,  
Of the system we create  
We are the prisoners,  
Stuck inside the space we made  
To escape

We're stuck in a rut,  
We keep on mixing things up and we can't tell what's  
fiction from fact,  
The more we all try to live up to the illusion  
The more we all fall through the cracks.

[Chorus:]  
We are the prisoners,  
Of the system we create  
We are the prisoners,

Stuck inside the space we made  
To escape
