"Darkness Of Days"

Strange waters flow
Beauty is so deranged
As warped as dirty snow
Can the horror make me sane

Why do the birds stand in line on the wire
Why is the taste so sweet when you're gone

I've never seen an elephant
I've never seen new york
But i kissed a boy from my street
I broke my heart at your feet

Why do the birds stand in line on the wire
Why is the taste so sweet when you're gone
I think i have seen the darkness of days

The sweetest taste is of you
