The magic of your kisses  
Holding you like this is  
Ecstasy (ecstasy)

The love that you have given  
Make this life I'm living  
Ecstasy (ecstasy)

Never let me go  
Let that love light show  
Take me by the hand  
And lead me to the  
Land of ecstasy (ecstasy)

The first time that I saw you  
You showed me the door to  
Ecstasy (ecstasy)

Now I just keep praying  
That we'll always stay in  
Ecstasy (ecstasy)

Oh, but don't you go away  
For a single day, come on  
Take me by the hand  
And lead me to the  
Land of ecstasy (ecstasy)

Travel up and down much  
Never have I found such  
Ecstasy (ecstasy)

Now, dear, that I know you  
Everywhere I go through  
Ecstasy (ecstasy)

Kiss me, dear, and then  
Kiss me once again  
Come on, take me by the hand  
And lead me to the  
Land of ecstasy (ecstasy)

Mmm, ecstasy (ecstasy)  
And, ohh, ecstasy (ecstasy)  
Mmm, baby, baby, baby...
