From a robot dance and a shuffling walk
Got stream that runs into a musical sea
Come alive like a seed growing fast
I got a better place for my baby and me

Leave me alone i'm a tiny plastic plastic creature
I got my shoes
I got my place in this place now
I came from you

You're falling from my sleeves like confetti and silent
snow
Trickle little horror nightmonster knows
How those night stories go
Got to find a better place for my baby and me

Leave me alone i'm tiny plastic creature
